Staff member Aisling is midway through the Vegetable Gardening course, and is thoroughly enjoying it. "Now that the evenings and weekends are freer than before, I'm able to spend time learning simple useful tips. You can do a full lesson while having a coffee, and the exams are usually 10 multiple choice questions"

Lesson 6: Starting Your Plants

Starting Your Plants

Just as you can prepare your soil ahead of time, you will also want to prepare your plants ahead of time. When you start your plants indoors, you can begin to have plants that will produce vegetables more quickly, while also having fewer growing problems.

Lesson 4 Exam

Exam Progress: Question 7 of 10 Questions (True/False: 1 point)

7. You don't have to think about space when planning a garden.

True False

Not a library member? Here's how to get set up from home:

If you are not a library member, you can now visit kilkennylibrary.ie and sign up online for a membership. Once you have filled in the form, submit it online and you will be given a temporary library number (write it down!) and can set a pin number.

These are all you need to access to have to access our online services. When we reopen, just pop in to your local branch to finish the paperwork and get your physical library card. Just contact us on **056 779 4160** or info@kilkennylibrary.ie if you need assistance.
